

**Municipal/ Environmental Division**

**Water**

**Wastewater**

**Fluid**

**Steam**

**~MECO Systems**

Custom Shop Fabrication Services including Pre-Fabricated Booster Pump Systems, Sludge Heating Systems, Heat Transfer & Filtration Packages. Start-up and repair.

**~Centrifugal Pumps**

- Aurora Pump                      Centrifugal, Regenerative Turbine, Boiler Feed, End-Suction, Condensate, Horizontal Split Sump, Fire Pumps and Systems
- R. S. Corcoran Co.              Custom Pumps in Stainless Steel and Exotic Metals
- Cornell Pump Co.                Clear Liquid, Solids Handling, Submersible, Vortex and Redi-Prime® Pumps
- March Manufacturing            Seal-Less Magnetically-Driven Chemical Pumps
- National Pump Co, LLC         Vertical Turbine, Submersible Vertical Turbine in Cast Iron and Alternate Metallurgies

Case, Sewage,

**~Positive Displacement Pumps**

- Bornemann Pumps                Progressive Cavity and Screw Pumps
- Flux Pumps                        Progressive Cavity Drum and Container Pumps for Viscous or Shear Sensitive Products

**~Heat Transfer**

- Gooch Thermal Systems, Inc.    Spiral Heat Exchangers
- Tranter PHE, Inc.                "Superchanger" Plate & Frame Heat Exchangers, Spiral & Welded Shell & Plate

**~Process & Waste Treatment Equipment**

- Amiad Filtration Systems        Automatic, Self-cleaning Filters and Filtration Systems
- Delta Environmental Products    Packaged Treatment Plants, Effluent Pumping Systems, Drip Irrigation
- IPEC                                Wastewater screening: Internally Fed Screens, In-channel Conveyor Screens/Washers, Sludge Thickeners, Screw Presses & Conveyors, Static Screens, De-gritters, Septage Receiver Stations
- Process Wastewater Technologies (PWTech)    Technologies for treatment of Wastewater, CSO/SSO including Hybrid BNR, Volute Dehydrator for sludge dewatering, SAF submerged fixed film bio reactor; Raked Bar Screens
- UV Pure Technologies            Innovative Ultraviolet Disinfection and Chemical Reduction Systems

**~Complementary Equipment**

- EG Controls                        Custom Pump Control Systems, "DigiGage" Panels; SCADA Systems
- OCV Valves                        Control Valves - Differential, Pressure Regulating, Relief, Back Pressure and Altitude
- CLA-VAL                          Air Release Valves
- Steele Plastics                    Fiberglass Pump Basins, Valve Vaults and Packages
- Tank Connection                 Bolted, Field Welded, Shop Welded, Liquid Storage, Potable Water, Elevated, Wastewater, Fire Protection, Industrial Liquids

**Corporate Office**

P.O. Box 689 | 1301 Industrial Dr.  
 Matthews, NC 28106  
 P: 704.847.2100 | F: 704.847.2349

**Raleigh Office**

181 Windchime Court, Suite 201  
 Raleigh, NC 27615  
 P: 704.847.2100 | F: 919.844.2030

**Greenville Office**

P.O. Box 758 | 510 Palmetto Dr.  
 Simpsonville, SC 29681  
 P: 864.967.3420 | F: 864.963.4784
