

Delta Introduces a new TM

Sustainability –

New Lower Horsepower TM Series Cooling Tower

While all Delta cooling tower models meet ASHRAE 90.1 energy efficiency standards, these new models feature super-low hp/ton to maximize Sustainability Initiatives. Also, these models feature Delta's industry leading 15-Year Warranty on the seamless unitarily-molded engineered plastic casing, sloped basin design and other maintenance minimizing features.

Model	Dimensions LxWxHt	Fan Motor HP	CapacityTons
TM103312	16.5' x 8.5' x 14.8'	3	265
